EASTERN CONNECTICUT SYMPHONY ORCHESTRA

2015-2016 Volunteer Student Ushers

Enjoy exciting concerts for free!

Our High School Usher Program exposes students from area high schools to our concerts and gives them volunteer opportunities to satisfy their school requirements for community service. These young people go through organized training and are required to sign contracts indicating their availability and commitment to the concert dates.

Students who have ushered over the years have had a great time, met students from other schools, and spent some wonderful evenings with live symphonic music.

Ushers are awarded four hours of community service for each concert. They are vital to our success.
